WELCOME BACK TO THE SIXTIES

Turn back the clock to drive-ins, diners, vinyl records, family game nights, moon missions, and neighborhood adventures.

Each puzzle was designed for relaxed, comfortable solving, with large letters, familiar themes, and forward-only words.

Take your time, enjoy the memories, and have fun!

HOW TO ENJOY THE PUZZLES

- Find all 18 words listed beneath each grid.
- Words run forward only: left-to-right, top-to-bottom, or diagonally downward in either direction.
- Words never run backward.
- Circle each word as you find it, then check it off.
- Complete solutions begin after Puzzle 40.

A quiet moment. A favorite memory. A puzzle solved.
